

“Super” Star February 2010

Rod Murphy
Lyon County

Rod Murphy owns and operates over 500 acres in Lyon County, where he is active not only in being the chairman of the Lyon County Conservation District Board of Supervisors he is the chairman of the ambulance board, a member of the Ag. Development Board and a Judge Protem. Rod’s most recent duty added to the list is Area 1 Director for KACD.

Rod raises tobacco plants not only for his own use, but on contract to sell. Rod raises about 40 acres of tobacco, row crops and also has around 60 head of cattle. Even with his busy schedule Rod always finds time to host a farm field trip each year for the Lyon County 3rd graders. With Rod’s support the 3rd graders of Lyon County have been able to see how a farm operates and the importance farming plays in our everyday life. Rod has been a great asset not only to the Lyon County district board, but to Lyon County as a whole.
