

AUGUST SUPERSTAR

Meet the 2008 August SuperStar.

Hello! My name is Wesley Lee Taylor and a lifelong resident of Adair County. I am the newest board member of the Adair County Conservation District Board of Supervisors. I began May 2008 to fill the unexpired term of Arnold Mayse. I am 30 years of age and married to Julie Ann Walls Taylor. Julie and I have been married for 13 years. We have three children: Cassie - 12 years of age; Coby - 10 years of age and Cady - 3 years of age. My parents are Wendell & Linda Taylor of Columbia. Julie is a full-time homemaker. My mother, Linda, was on the FSA County Committee in Adair County through 2007. I have one sister, Lynn Bradshaw, who is married to Nathan Bradshaw of Columbia. Lynn is employed as a nurse at Russell County Hospital and Home Health; Nathan is employed as a city police of Russell Springs.

I am very active in farming and own 361 acres and rent 110 acres in Adair County. My family and I have beef and dairy cattle and also produce several acres of tobacco. Also, serve on the Phase I Board as "Young Farmer". My Grandma Taylor took my dad to the milk parlor at the age of six months old and been there ever

since except the two years my father was in Vietnam. Our family has been Grade A Milk producer for 52 years.

My hobbies include putting equipment together for G & G Motors and being a mechanic.

My three children have a Great-Great Grandma whose is still living at the age of 90. Her name is Iva Stotts and she is still driving & cleaning houses for people. My children are also active at Plum Point Baptist Church. One incident occurred with no piano player so Cassie played the piano; Coby played guitar and Cady sings at age three.

I have thoroughly enjoyed, thus far, being a supervisor for Adair County. They are a great group of people to work with. They are very compassionate about their responsibilities of educating landowners and conserving our Natural Resources.

Wesley is one of the hardest working farmers you will every meet. He is very dedicated to his church, family, friends and farming. s/Kathy Keith
